# CULTURE FORM

New special category CultureFORM  
Create the culture of space **with us!**

CULTUREFORM

# CULTURE FORM

The main idea is to build and rebuild spaces to highlight the creative process and emphasize the essence of experiencing the culture.

CultureFORM is about creating space for **#life #culture #human** – it is a culture that gives us a place to live, and inspiration and makes us who we are!

# CULTURE FORM

## Space of inspiration - Culture of surroundings

Your inspiration to create projects should be spaces inspired by the culture and experiencing the culture.

Culture defines our horizons, and values, and provides emotions.

# CULTURE FORM

Culture needs a place.  
The purpose and functionality should be  
clearly defined in your project.  
We do not define the type of space  
or preferred solutions.

We pay attention to the functionality,  
aesthetics, and feasibility  
of the solutions adopted.  
You have a free hand!
